### Work Experience

*Hack For LA – (Volunteer)*

#### **Software Engineer**

7/2023-Current

- Building out a design templating system for the TWE Internship program for H4LA. Project will allow for different parts of the organization to rapidly deploy microsites based off of the templating system. System built on JavaScript/CSS/SASS/Python/MkDocs/GitHubPages.

*General Assembly*

**Software Immersive Fellow**

2023

- 12-week long, 500-hours full-time and full-stack web development program conducted in a remote setting, providing experience with the latest front- and back-end programming languages, tools, and methodologies including HTML, CSS, SASS, JavaScript, Node.JS, React.JS, MongoDB, Mongoose, SQL, Python, and Django.
- Completing in-class projects and personal projects focused on the real-world applications of web development principles and best practices.

*CoStar Group – Irvine, CA (Workforce Reduction)*

12/2020-3/2023

**Senior Corporate Technical Recruiter IV**

3/2022-3/2023

**Senior Corporate Technical Recruiter III**

12/2020-3/2022

- Solely own technical recruiting for two separate business units at CoStar Group (LoopNet & Ten-X)
- Interface directly with Vice Presidents of Engineering to define technical hiring strategy and roadmaps
- Personally recruited and hired over 75 engineering candidates for CoStar Group in just over 2 years of employment with a direct sourcing rate of over 60%

*CyberCoders—Irvine, CA*

3/2015-11/2020

**Associate Recruiting Manager**

6/2019-11/2020

**Sr. Executive Recruiter**

3/2015-6/2019

- Operated a full desk, which entails bringing in my own clients, as well as servicing those clients' fulfillment needs through full-cycle recruiting processes.
- Engaged in business development with thousands of companies and brought in several hundreds of clients with negotiated agreements.
- On-boarded and managed a team of 3 executive recruiters with varying degrees of experience and guided them towards individual and team success.
- Repeatedly hit sales goals and achieve bonuses. Brought in over 1 million dollars in lifetime earnings.

**(Previous similar experience redacted for brevity. Additional information available upon request.)**
